

# Regulations registration OAK – Bosrijk Eindhoven

1. By completing and submitting the registration form, you declare that you are familiar with and agree to the regulation below.
2. Only fully completed registration forms will be processed.
3. Each candidate (single, couple, or family) is entitled to fill in and hand in one form. Please fill in the construction numbers in order of preference.
4. When the real estate agent has received a form, it is no longer possible to make changes to it. We do not look at the date/time when you fill in the preference form, just make sure that it happens before the closing date. So, think carefully about your lot preferences and only then hand in the form online or to the real estate agent.
5. The registration is personal and non-transferable, which means that only the applicant(s) listed on this form at the specified residential address may be eligible for the preferred number(s). Couples who want to buy a home together should therefore complete the form together. Duplicate forms will be removed and not processed
6. Forms can be submitted until 16 October 2022 at 23:59.
7. We will draw lots for the homes for which there is much equal interest. Aspects that may be important for the assessment of the tender, are stated in the notes to the Sale and Allocation procedure. There is no communication about the assignment.
8. Janssen de Jong and the real estate agents are not liable for not receiving the form (on time).
9. The construction numbers that are not assigned by us are immediately freely saleable.
10. If the desired construction number is not available, you will be placed on the reserve list. You will be notified of this. We do not provide information about how many reserve candidates there are and where you are on the reserve list. If the candidates are on the list before you do not buy the construction number, you will be contacted by the real estate agent.
11. Registration is without obligation. Neither the tenderer nor the seller undertakes to proceed with a sale of purchase. Parties cannot derive any rights from the registration by means of this form.

## **Finally**

As soon as possible after we have received your registration, you will receive a confirmation of receipt from us.
